# Frame Colours

# Colour Coding

Our colour-coded range of weather bars and thresholds are fitted to blend seamlessly with your new door.

# Black Brown Doors

Our doors are now available with the in-demand black brown foiled outer frame.

# Glazing

The range of glass options add character to your door and light to your home, whilst still offering you complete privacy.

# Satin Glass

Added to our 'patterned glass' range, satin glass makes a perfect option for modern properties.

# Solid Grids

Our two-panel, one-grid door designs feature a solid internal grid. This means that when your eye glances across the glazed panel, you don't see the inside of a glazing cassette – you see the effect that you would get if

# Don't Replace – Reglaze

Our replaceable cassette system means that in the event of breakage, or if your glass unit breaks down and becomes misty, you can simply and easily change the glass without replacing the door.
